## For Delegate To Congress

### PRINCE KUHIO.

Kuhio's record in Congress stands as a living monument to his ability. A Prince of Royal Blood and a democratic American. He has never gone back on his word and is a credit to the Republican Party. Failure to elect Kuhio for Delegate would be public calamity for Hawaii. His success at the polls next Tuesday is already assured.

### (GOVERNOR FREAR)

"As I said in my speech at Aala Park, country comes first, party second, as a matter of course."

"This DOES NOT MEAN that PARTY should be IGNORED or that the VOTER should select from the DIFFERENT PARTIES the BEST MEN VIEWED AS INDIVIDUALS."

"PARTIES ARE NECESSARY and DESIRABLE IN REPRESENTATIVE GOVERNMENT."

"Team work is essential to accomplish practical results. Accordingly in politics as well as business it is often necessary to select and vote for men who by working together can accomplish desired results even though they are not men who might be preferred as individuals."

"Of course, there may be men on the party ticket who should not be voted for either for the good of the country or party, but just where the line should be drawn is a matter for individual judgment."

The President justly announces that he will make no speeches in the campaign, which is as much as to say that he is pleased with the way things look. If the President were in doubt about Taft's election, wire cables couldn't hold him from getting onto the stump. — Topeka Daily Capital.
